

# AP CALCULUS AB/BC PRACTICE EXAM

8:30 AM – 1:30 PM  
First Baptist Church of Agawam  
Saturday, March 28, 2008

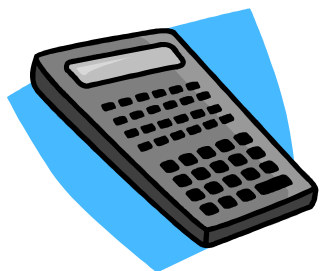

Mark your calendars! MATHWEST is again pleased to announce that it will help sponsor practice AP Calculus AB or AP Calculus BC exams for students in Western Massachusetts on Saturday, March 28, 2008. In case of inclement weather, the snow date is April 4<sup>th</sup>.

The session will allow students to take either the 2003 AP Calculus exam in an appropriate and timed atmosphere. Following the exam, lunch will be served. Before students leave, they will receive their graded test, a score, and a complete answer key.

All AP Calculus students and their teachers in Western Massachusetts are invited to attend. It will take place in Agawam at the First Baptist Church on Main Street. The registration cost of \$15 per student will help to defray the expenses of the event, which includes materials and lunch for all participants.

This year, students must be accompanied by a faculty member from their school. It is our

hope that the faculty member will assist with grading. All teachers that attend will receive a gift certificate to Barnes and Noble for materials

complements of MATHWEST.

Students will start the exam with the open response problems, followed by the multiple-choice sections. This is done to allow time for the instructors to grade the open response problems while the multiple-choice sections are administered.

The registration deadline for participating is Friday, March 20<sup>th</sup>. At that time, a completed registration form for each student indicating the exam they will take, and including the \$15 registration fee, must be sent in.

If you have any questions or concerns, please feel free to contact Scott Trahan of Agawam High School at (413) 821-0530 or email him at SLTrahan@comcast.net.
